

SUMMARY

Born in 1998 in Benin, a country located in west Africa, I am a forth-year student of Computer Engineering at Izmir Institute of Technology. I have developed strong problem-solving abilities and fostered a reputation as a key contributor through motivation and teamwork skills. As a team player, I am collaborative with peers, searching for ways to integrate valuable insights. Through these qualities, I have confidence in my ability to facilitate positive change and collective effort.
